2017 KNIGHTS BRIDGE CHARDONNAY, EAST BLOCK

The 2017 Chardonnay East Block has very pretty scents of jasmine, orange blossom, honeycomb, ginger and bricoche with touches of lemon curd, hazelnut and a stone fruit core. Medium to full-bodied and satiny, it's rich and powerful in the mouth with intense flavor layers, zesty acidity and an incredibly long, energetic finish. Wow!

2017 KNIGHTS BRIDGE CHARDONNAY, WEST BLOCK

The 2017 Chardonnay West Block has a singular nose of salted grapefruit, saline and mushroom with bright lemon and lime citrus accents, countered by honeycomb, pastry and a core of tropical fruits. Medium to full-bodied and with a satiny texture, it bursts in the mouth with very intense, savory layers lifted by lively acidity and finishing very long. This is a powerful and dense but expressive Chardonnay.

2017 KNIGHTS BRIDGE CHARDONNAY, PONT DE CHEVALIER

The aromas of the 2017 Chardonnay Pont de Chevalier slowly unfurl to reveal salted grapefruit, orange oil, kiwi tart, lime peel and lemon curd with touches of saline, stone and warm peaches. Medium to full-bodied with a satiny texture, it fleshes out to perfumed, savory layers in the mouth. It's powerful but refreshed by lively acidity and finishes energetic and minerally. This is a lovely, singular expression.

2017 KNIGHTS BRIDGE SAUVIGNON BLANC, PONT DE CHEVALIER

The 2017 Sauvignon Blanc Pont de Chevalier offers very pretty aromas of beeswax, jasmine and papaya over a core of warm peach, lime peel, crushed stone and kiwi tart. Medium to full-bodied, it's rounded and very expressive in the mouth with honeyed tinges and oodles of floral character, framed with tangy acidity and finished textured. I appreciate the balance of expressive fruit and oak influence in this Sauvignon Blanc.

2016 KNIGHTS BRIDGE CABERNET SAUVIGNON

Deep ruby-purple, the 2016 Cabernet Sauvignon has a classic nose of crème-de cassis, cedar, leather, cigar box, pencil lead, cocoa and black cherries with notes of savory herbs, exotic spices and red cherries. Medium to full-bodied, it's plush and giving in the mouth, with grainy tannins and just enough juicy acidity, finishing long on a mineral note.
